BUILDING A COMMUNITY THROUGH COMPETITIVE AMATEUR SPORT.

It started as a way for working professionals to trade the 9-to-6 for a Sunday morning kickabout — a break from the desk, a reason to move, a team to belong to. What began as one football game between friends has grown into Rajasthan's leading multi-sport amateur league: three sports, three leagues, one community that keeps showing up every season.

[fit-onevercel.app/corporate](#)

Heading will be: **SPORTS, CURATED FOR EVERY OCCASION.**

From corporate sports days and competitive leagues to community tournaments and brand experiences, we bring people together through amateur sport. We create opportunities to play, compete and connect, building stronger communities through shared experiences on and off the field. From planning to execution, every detail is thoughtfully curated to make sport more accessible, engaging and enjoyable.

The box on the picture “the sunday league - where it all began” will be the same
